

Szczecin, 13th July, 2012

**Organizing Committee
2nd Baltic Stem Cell Meeting
Pomeranian Medical University in Szczecin
Rybacka 1, 70-204 Szczecin, Poland**

Dear Colleagues and Participants,

*I am taking the liberty to write to you on behalf of Professor Mariusz Z. Ratajczak and Organizing Committee to invite you cordially to present an invited lecture at the **second Baltic Stem Cell Meeting (BSCM)** which is taking place in Szczecin, Poland – **May 31st – June 2nd 2013**.*

The 2nd BSCM will gather top scientists from Europe, North and South America, Australia and Asia. This meeting will focus on topics related to stem cell biology, stem cell trafficking, cell-cell interaction by microvesicles and a role of stem cells in regeneration with special emphasis on VSELs (very small embryonic like stem cells) and their potential applications in clinical medicine.

The Baltic Meeting will be an excellent opportunity to exchange ideas and new scientific contacts, listen to the state of the art lectures as well as to participate in workshops related to stem cell biology. The local Organizing Committee would be honored to host you as a well recognized expert in the field of stem cell research. We shall appreciate any remarks and thank you in advance for accepting the invitation. We would like to ask you to propose a topic of your lecture that will be incorporated into the main program. Your participation will significantly enhance prestige of our meeting.

The beautiful port town Szczecin is ready to welcome BSCM attendees and is easily accessible from the international airport in Berlin, Germany or local airport Goleniów, Poland.

If you have any questions please do not hesitate to contact me at any time directly at marlicz@hotmail.com or on my mobile phone: +48 608 29 69 89.

Yours sincerely

Wojciech Marlicz M.D., Ph.D.
